Character Trait of the Month: Responsibility

## Philanthropy Project: Ronald McDonald Pop Tabs

Little things make a big difference! Help us support the Ronald McDonald House Charities by donating the tabs you pull to open soda and other aluminum cans. The funds generated help support the Ronald McDonald House programs, which allow families to access medical treatment while having a place to stay.

Fun Facts: 1 million pop tabs = 789.27 lbs.; 1 lb. pop tabs = 1.267 tabs; 1 mile of pop tabs = 63,360 tabs; 1 cup of pop tabs = about 196 tabs

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

### Reminders:

- If your child requires medication, please ensure you have completed a Medication Administration Authorization, which must be signed by a physician, and submitted it to the front office.
- Make sure your child and his/her teacher knows how he/she is getting home each day. If there is a change in transportation, it must be received by the front office by 12pm.
- Students must be picked up from the carpool lane with an RCSA-issued carpool tag. Ensure all family members that will be picking up have one, as this is their form of ID.
- If your child will be eating school lunch, be sure you have set up your online SLA account for payment!
