

Upcoming Kindergarten Parents

Dear Parents/Guardians,

Kindergarten is such an important grade for development. There is so much growth that occurs throughout the year. To prepare your child for kindergarten, attached are some engaging and fun activities to complete during the summer.

This packet should be completed and turned in once school begins. It will be your child's first few homework grades and is due no later than September 3, 2019.

Please be sure to also work with your child on how to hold scissors and use them, holding a pencil, opening snacks, saying the alphabet, counting to 100, and identifying shapes and colors.

You will also find a recommended book list, book report forms, a list of educational Android and Apple Apps, and the Kindergarten High Frequency Word list.

We look forward to seeing you in August!
