

RIVER CITY SCIENCE ACADEMY ELEMENTARY K-5

RCSA Elementary Supply List: Grade Level – 4

To maintain the health and safety of our students, there will be no “community supplies” this year. All personal supplies purchased will belong to the student. Teachers will not store student’s personal supplies. It will be the student’s responsibility to restock and bring in materials when their current supply is low. Subject area binders/notebooks will be stored in the respective subject areas teacher’s classroom. **Please label all supplies with the student’s name and bring only the needed materials on the first day of school, unpackaged and ready to go. All extra materials such as extra pencils, paper, etc., will stay at home. You may bring classroom supplies on orientation day.** **Other items may be requested throughout the year. **

****The 4th Grade Team is requesting that students only bring a drawstring backpack to transport personal materials to each class and to bring Friday Folders home on the weekend. This will be a space saver and reduce the number of unneeded items brought to school.**
