RCSA Parent-Student-School Agreement

Dear Parent, Guardian, and Student,

Welcome to River City Science Academy (RCSA)! As we embark on this academic journey together, it's essential to establish clear expectations and responsibilities that ensure a conducive learning environment for everyone. One crucial aspect of our school community is the Parent-Student-School Contract that embodies our Core Values of Respect, Compassion, Self-Confidence, and Accountability. This contract serves as a guiding framework outlining the philosophies, conditions, duties, and responsibilities that govern enrollment and attendance at RCSA. It's not just a formality; it is a commitment to mutual respect, cooperation, and excellence in education.

Purpose of the Contract:

1. **Clear Expectations:** This contract clarifies the expectations and responsibilities of students, parents, and the school. By understanding what is expected of each party, we can work together harmoniously towards our common goal of academic success.
2. **Maintaining a Positive Environment:** RCSA is committed to providing a safe, supportive, and productive learning environment for all students. The contract helps uphold this commitment by promoting respect, discipline, and a sense of community among all members.
3. **Fostering Accountability:** Accountability is key to academic and personal growth. The contract holds students, parents, and the school accountable for their respective roles in ensuring student success. It encourages students to take ownership of their learning journey and parents to actively support their child's education.
4. **Promoting Communication:** Open and transparent communication between students, parents, and the school is vital for addressing challenges, celebrating achievements, and fostering a collaborative learning environment. The contract emphasizes the importance of communication as a cornerstone of our partnership. **Your Role:** As students, you play a crucial role in upholding the values and standards outlined in the contract. By signing this agreement, you commit to respecting school rules, engaging in your studies with diligence and integrity, and contributing positively to the school community.

Conclusion:

The Parent-Student-School Contract is more than just a piece of paper-it is a symbol of our shared dedication to academic excellence, personal growth, and mutual respect. By honoring this contract, we lay the foundation for a successful and fulfilling educational experience at RCSA. Thank you for your commitment to our school community. Together, we will strive for excellence in every aspect of our academic journey.

RIGHTS AND RESPONSIBILITIES

Parent/Guardian Rights and Responsibilities

It is the intent of RCSA, as expressed in the Parent/Guardian Rights and Responsibilities section of this document that parents/guardians must ensure that their child understands his/her individual rights and responsibilities to school district employees and fellow students as they work together toward a common goal of learning. It is the parents'/guardians' responsibility to ensure that their child maintains regular communication between home and school. When either parents/guardians or school employees deem it necessary to meet regarding concerns about the student's education or a disciplinary matter, the student, parent/guardian has a right to be represented by an attorney of his/her choice throughout the process.

DUE PROCESS AND STUDENTS' RESPONSIBILITIES AND RIGHTS

All students at RCSA are entitled to the rights guaranteed by the United States Constitution and Bill of Rights, and their rights will not knowingly be denied by the required code of conduct or by any disciplinary actions taken by the school. Any student who exhibits any of the unacceptable student behaviors or Conduct Violations listed in this handbook, or added to this list at a later date, will suffer immediate consequences. These consequences range from notification of parents, isolation, detention, and emergency removal from a school activity, suspension, expulsion, and criminal prosecution. In all instances, RCSA's policies and procedures governing due process for suspensions and expulsions will follow Florida Education Law. All students at RCSA have the right to feel physically, emotionally, and intellectually safe. Therefore, if at any time you feel you are the subject of harassment, hazing, threats, or other intimidating behavior, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible. All reports like this will be kept completely confidential.

Similarly, if you are concerned about the safety of a student who seems to be the subject of harassment, hazing, or threats, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible, and reports will be kept completely confidential.

Pursuant to HB 7029, a student can be excused to participate in reciting the pledge including standing and placing the right hand over his or her heart upon written request by his or her parent. Unexcused students must show full respect to the flag.

ATTENDANCE Policy

Absences and Tardiness

Attendance significantly impacts student learning and academic growth. River City Science Academy- RCSA recognizes two kinds of absences and tardiness: excused and unexcused. Please read through the definitions of each carefully so that you understand what you and your parents' or guardians' responsibilities are. If online learning is required, these policies also apply.

Excused Absences

RCSA accepts only the following as excusable reasons for absence from school. **Parents or guardians must notify the school's designated staff and homeroom teacher in the morning (before 9 am) on any day their child is not attending.** Students returning to school from an absence are required to present a written explanatory excuse from their parent(s) or legal guardian stating the cause for the absence. The excuse shall be submitted to the school office and filed as part of the student's school record. An excuse for absence from school may be approved for one or more of the following reasons or conditions:

- **Personal Illness:** Personal illness of the student or when attendance in school would endanger the health of the student or the health of others is excused. A physician's note or appropriate medical documentation is needed when (1) the student has been absent for 3 or more consecutive days, (2) has had surgery, (3) is returning to school after hospitalization, (4) has been under the doctor's care for a significant illness, or (5) is returning to school after being excluded because of a communicable disease.
- **Serious Illness or Death in the Family:** Serious illness or death in student's immediate family necessitating the absence is excused. In the case of serious illness, students are required to present medical documentation to validate the absence(s) as an excused absence within three days of the student's return to school. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian or doctor.
- **Legal Requirements:** Court order by a governmental agency mandating the student's absence from school is excused. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring a copy of the court order documentation.
- **Special or Recognized Religious Holidays:** Special or recognized religious holidays observed by the faith of the student are excused. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian.
- **Weather or Environmental Conditions:** Weather or environmental conditions rendering attendance impossible or hazardous to the student's health or safety may be excused. Your parent or guardian must call the office to explain the situation and estimated time of absence. When you return to school, you must bring an explanatory note from your parent/guardian.
- **Financial, Transportation or Other Conditions:** The Principal has the discretion to determine if other absences are excused.

Unexcused Absences

An unexcused absence is a part of a student's school record. Students will be marked for an unexcused absence for:

- **Failure to Attend School:** Failure to attend school, with or without the knowledge of the parent/legal guardian, for reasons other than those specifically outlined as excused absences will be considered unexcused absences.
- If online or hybrid classes are in place due to a pandemic, school requested attendance method must be followed otherwise an unexcused absence will be marked. Some examples are checking questions or showing up online or hybrid meetings. These methods vary by each grade level approved by school administration.

- Out of School Suspension (OSS): School days missed as a result of an out-of-school suspension shall not be counted as unexcused for the purpose of determining truancy. RCSA allows students who miss school for an out-of-school suspension to make up any work missed (refer to the section Make-up Work for Excused Absences).
- AIT (Attendance Intervention Team): Should a parent/guardian sign a contract with the AIT, attendance will be strictly enforced.

Early Checkouts

- STUDENTS MAY NOT BE CHECKED OUT AFTER 2:00PM ON REGULAR SCHOOL DAYS.
- Being removed from classes and leaving the school prior to the official end of the school day with a parent or legal guardian is considered an early checkout. A photo ID is required to check a student out of school. Only those persons who have been previously approved by the parent(s)/guardian(s), and officially recorded on the student's records at school will be allowed to check out a student.

Make-up Work for Absences

Most assignments are available on the RCSA Connect website 24 hours a day – should a student be absent for any reason; they should access this information via the Internet. Any assignment not listed, or work material needed for an assignment, may be requested by the student when they return from their absence. Students who have been absent will be given the same number of days that they were absent to make-up missed work.

For absent students, make-up tests will be scheduled at a time designated by the teacher. It is the students' responsibility to take the test at that time.

School Tardiness

A student is tardy when he/she arrives at school after the beginning of the official school day or is not in the assigned class at the official beginning of the class period.

- Late arrival to school due to reasons defined herein as excused absences or as a result of events physically out of one's control such as inclement weather, documented transportation delays, health related emergencies, power outage, compliance with court order shall be considered excused tardy if the sign-in procedure is followed. Students who arrive late to school by vehicle must have their parent(s)/guardian(s) come into the school office to sign the student in as tardy and provide the reason for the tardiness. Once the student(s) have been properly signed in, they will get a "late slip" for admittance to class.
- Unexcused Tardy: Arriving late to school with or without the knowledge of parent/guardian, as a result of reasons such as oversleeping, missing the bus, car problems, traffic, baby-sitting, athletic workouts, or socializing, is considered unexcused. If the sign-in procedure is not followed the student(s) will be marked as unexcused tardy regardless of the reason for the tardiness.
- Class Tardy: Students are given designated passing time to get to each class during the course of the school day. Students are expected to be sitting in their assigned seats when the class bell rings or else they will be considered tardy. Students will be marked tardy if they are late within the first five minutes of class. If a student has checked in late through the Front Office, the student will have a tardy pass from the front office. Repetitive tardiness will result in student receiving disciplinary consequence based on the Minor Violation Discipline Cycle. LOCKOUTS- random lockouts will be conducted to decrease tardiness to class. During a lockout, students will receive automatic conduct points for tardiness.
- Class Cuts/Skipping: A class cut occurs when a student is absent from class for more than 10 minutes without permission from the teacher or authorization from the office to do so. Students who become ill or need to see a counselor or administrator during class time should first report to class, obtain permission to be excused and obtain a pass from the teacher. If a student is too ill to report to the office, he/she should have another person notify the office so that the appropriate attention may be given to the student.
- Habitual School Tardy: Students who are unexcused tardy more than five (5) times in a calendar month or ten (10) times in a 90-calendar day period will be referred to the school's Attendance Intervention Team. -

Attendance Matters!

Truancy and Attendance Intervention

PROCESS FOR CONTACTING PARENTS:

Monthly excessive absence reports are run in FOCUS, using the parameters: 5 excessive absences in 30 days and 10 excessive absences in 90 days. Any students appearing on either report are sent, via email, dojo, and a paper copy home with the student, an initial AIT letter outlining that state statutes regarding school attendance and a parent meeting is scheduled via zoom on the pre-scheduled AIT meeting date. If parent does not attend the meeting, a second meeting request is sent. If after two letters are sent and parents still do not respond, all attempts are made to contact parents as soon as they appear on campus. This may include carpool, extended day, late drop off, home visit, etc. If contact is not able to be made with parents, notification is sent to state attorney's office.

Additionally, Florida Statute 1003.24 states that "each parent of a child within the compulsory attendance age is responsible for the child's school attendance as required by law. The absence of a student from school is prima facie evidence of a violation of this section". Florida Statute 1003.27 (7)(a) states that "a parent who refuses or fails to have a minor student who is under his or her control attend school regularly, or who refuses or fails to comply with the requirements in Subsection (3), commits a misdemeanor of the second degree, punishable as provided in s.775.082 or s.775.083".

River City Science Academy Code of Student Conduct

River City Science Academy is committed to maintaining a safe, secure, and respectful school environment that reflects the highest standards of our community and society. All persons, students, teachers, administrators, parents, and others on our campuses are expected to conduct themselves in a considerate and respectful manner and support a safe and respectful school environment conducive to learning and constructive, civil dialogue. Instruction should occur in an environment that is conducive to learning. Good order and discipline are essential to effective instruction and to the ability of students and school personnel to work cooperatively toward mutually recognized and accepted goals. The rules outlined in the Code are designed to ensure that this primary reason for the existence of school is achieved. Any behavior that prevents learning from taking place is unacceptable and will result in the appropriate consequence.

For this discipline program to be successful, students must make choices for themselves and **be responsible for their own behavior as well as for their academic performance**. Students who make poor choices cannot, and should not, place blame on the environment, parents, the school, and/or peers. All persons, involved in committing, planning, participating, helping, advising, encouraging, or benefiting in the violation of a rule or code of conduct **are parties to the violation**. While the school will help students develop good decision-making skills, ultimately, the future is determined by each student's own actions. The procedures in the discipline program will be followed in a fair and consistent manner.

All RCSA policies and expectations are applicable in all virtual learning courses and students must adhere to our school's Code of Conduct during all computer-based learning and distance education (if required).

School-Wide Student Expectations: RCSA Rockets are Respectful, Responsible, and Safe.

CLASSIFICATIONS OF VIOLATIONS

Violations of the Code of Student Conduct are grouped into four classes:

* **Minor Class I (Conduct Point System)**

* **Major Class III (Referrals)**

* **Intermediate Class II (Referrals)**

* **Zero Tolerance Class IV (Referrals)**

Each classification is followed by a disciplinary procedure that is to be implemented by the principal/designee. It is understood that when a violation of the Code occurs, the student's explanation shall be heard by the principal/designee before determining the classification of the violation. The principal or designee will review each case individually before assigning consequences.

Classroom teachers will address general classroom disruptions by taking appropriate in-class disciplinary actions. These include, but are not limited to, personal calls to parents, parent/teacher conferences, referral to a guidance counselor, etc. A detailed classroom management plan is described in classroom management guidelines in the class syllabus. If such measures do not deter disruption, a disciplinary referral is appropriate.

**** Neither RCSA employees nor the Governing Board assumes any liability for the intentional or unintentional harm caused by any student to another individual or his/her possessions.***

RCSA has as its goal to help every student fulfill his/her intellectual, social, physical, and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the RCSA administrators and teachers shall not allow inappropriate, distractive, or disorderly behaviors to occur during school, on school property, or at any school-sponsored activities. **Students who continuously disregard the code of conduct may be recommended to the Duval County School Board Hearing Office for alternative placement or for expulsion.**

Our ultimate goal is to develop in students a sense of responsibility and self-discipline. Firm but fair is the basis for this system-wide discipline program. Guidelines are provided in order to foster mutual respect and cooperation within the school setting. RCSA takes seriously its responsibility to educate its students in a safe school where they are free from fear of harm or intimidation.

Weapons, drugs and gang activity will not be tolerated. Students who violate RCSA rules or State laws related to these offenses, will be **suspended** and/or **recommended** to the Duval County School Board for placement in an alternative school or expulsion from school. Violators will also be **reported to police and may be arrested.** **These rules apply to all students at school or school-sponsored activities, including field trips and on buses, athletic fields, stadiums, parking lots, official school bus stops, and other sites used for school-sponsored activities.**

SPECIAL NOTES

NOTE I: REPEATED INFRACTIONS: Repeated violations of the Code of Student Conduct in school and/or on the school bus will be considered willful disobedience and/or open defiance of authority, resulting in possible suspension or expulsion from school and/or the school bus for the remainder of the school year or a specific period of time. Students may also be referred to Hearing Office for alternative placement.

NOTE II: HAZING: There shall be no type of hazing during any district sponsored event, club, organization, or class within the school or off campus. Hazing shall be defined as any action or situation for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of the school which recklessly or intentionally endangers a student's mental or physical health or safety. Acts of hazing shall be addressed and will result in the appropriate consequence being administered in accordance with the Code.

NOTE III: SEARCH AND SEIZURE: Federal and state laws grant individuals reasonable expectations of privacy and freedom from unreasonable search and seizure of property. Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety and welfare of all students. Students may be subject to search of person or property if a reasonable suspicion exists that the student may have violated the Code of Student Conduct or state or federal law. Be advised that, upon reasonable suspicion, student lockers and other storage areas (including, but not limited to, motor vehicles, book bags, pocketbooks, notebooks, pockets, etc.) may be searched. Additionally, RCSA school personnel are permitted to conduct administrative random searches for unauthorized materials and other contraband absent reasonable suspicion. Administrative searches shall be carried out with a neutral plan (classrooms will be selected randomly) for execution and in the least intrusive manner. Schools are permitted to use metal detectors/wands to assist in this effort. If a lawfully conducted search yields illegal, unauthorized, or contraband materials, such materials shall be turned over to the proper legal authorities for ultimate disposition. If illegal, unauthorized or contraband materials are discovered through the search, appropriate discipline action will be taken by RCSA in accordance with the Student Code of Conduct.

NOTE IV: PROHIBITED ITEMS: Be advised that students will be held responsible for prohibited items in their personal control, such as items located in vehicles, book bags, clothing or items belonging to someone else.

NOTE V: TECHNOLOGY-BASED INFRACTIONS: Technology-based infractions may result in a suspension of network and/ or Internet access. Alternative instructional materials may be provided.

NOTE VI: BUS RIDING PRIVILEGES: Bus riding is a privilege, which may be revoked. Misconduct by any student while riding a school bus represents a serious threat to the safety of all occupants of the bus as well as other motorists, pedestrians, and members of the community. Parents are urged to discuss with their children appropriate school bus conduct in order to ensure bus safety. All students who misbehave while riding the school bus will be disciplined according to the Code of Student Conduct. A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions, such as out-of-school suspension. Students are required to attend school. Bus suspension does not affect or excuse school attendance.

NOTE VII: A student may be required to obtain counseling and/or attend a recognized treatment program at parental expense and show proof of completion of such counseling or program. Such offenses may include, but are not limited to, substance abuse, stalking, threats, intimidation, harassment, or acts motivated by hate or bias. Programs include, but are not limited to, Student Option for Success (SOS), Night Substance Abuse Program, Nicotine, Tobacco, Vaping Course (NTV), and Teen Court.

NOTE VIII: A senior student who commits a Class III or IV violation, described in the Code of Student Conduct, shall forfeit the right to participate in graduation exercises and other senior related activities until the student has successfully completed all assigned consequences and disciplinary actions. RCSA regarding assignment to alternative centers shall apply to students who commit a Class III or Class IV violation.

NOTE IX: A student who willfully damages school property, a school bus, or bus equipment shall be properly disciplined. The parent(s) or legal guardian of a minor student (or the student, if he/she is an adult) shall reimburse the school and/or the owner of the bus for restoration or for replacement of any damaged school property in accordance with the true value as determined by the appropriate administrative staff. Students who damage school property, a school bus or bus equipment shall be subject to disciplinary action according to the Code of Student Conduct.

NOTE X: The Duval County School Board may expel a student from school based on grounds specified in the Codes of Student Conduct. NOTE XII: ANTI-BULLYING POLICY: Pursuant to Florida Statute 1006.14, it is the policy of RCSA that all of its students and school employees have an educational setting that is safe, secure, and free from harassment and bullying of any kind. Accordingly, RCSA will not tolerate bullying or harassment against any student, employee, visitor, volunteer or agent who works on school-related activities, subject to the control of school officials. This policy shall be interpreted and applied consistently with all applicable state and federal law and employee collective bargaining agreements. Conduct that constitutes bullying and harassment, as defined herein, is prohibited. RCSA prohibits bullying or harassment of any student or school employee, volunteer or agent:

- During any education program or activity conducted by RCSA
- During any school-related or school-sponsored program or activity or on a school bus

NOTE XIII: TITLE IX PROCESS: A Title IX Consultation is required when a Code of Conduct infraction has occurred. This may temporarily delay the disciplinary process. Should this happen, the district must provide written notice to the parties and the reasons for the delay. Non-disciplinary, non-punitive individualized supportive measures may be offered as appropriate to the complainant or respondent to preserve equal access to the district's education program or activity. (Discipline should not be administered during the Title IX process.)

Students may be assigned to a disciplinary program or second chance school for the purpose of continuing educational services during the period of expulsion. District school superintendents may consider the 1-year expulsion requirement on a case-by-case basis and request the district school board to modify the requirement by assigning the student to a disciplinary program or second chance school if it is determined to be in the best interest of the student and the school system. Any student in violation of F.S 836.10 Written Threats to Kill, who writes or composes and also sends or procures the sending of any letter, inscribed communication, or electronic communication, whether such letter or communication be signed or anonymous, to any person, containing a threat to kill or to do bodily injury to the person to whom such letter or communication is sent, or a threat to kill or do bodily injury to any member of the family of the person to whom such letter or communication is sent, or any person who makes, posts, or transmits a threat in a writing or other record, including an electronic record, to conduct a mass shooting or an act of terrorism, in any manner that would allow another person to view the threat.

Reporting an Incident of Discrimination/Harassment/Complaint Procedure

1. Notification of Appropriate Staff

RCSA strongly encourages individuals who believe they are being discriminated or harassed to promptly notify the offender that his or her behavior is unwelcome. Notifying the offender, however, is not a required first step. If, for any reason, an individual does not wish to confront the offender directly, such a confrontation does not successfully end the harassment, or if the offender retaliates against the individual, the individual is encouraged, within sixty (60) days of the alleged incident, to notify either the Executive Director or any

School Administrator, Department Head, Team Leader or Board Member with whom the individual feels comfortable discussing the matter. Students may also report such conduct to any teacher that they feel comfortable discussing the matter with.

Any RCSA staff member who becomes aware of any discrimination or harassment, or who has reason to believe discrimination or harassment is taking place, must immediately report the conduct to the appropriate person. All complaints should be forwarded to the principal, or, if the complaint concerns the Principal, to the Executive Director, or, if the complaint concerns the Executive Director, to any Board Member. Those employees in a supervisory role have a special duty to report discrimination or harassment even if it involves someone outside their area of responsibility.

2. Investigatory Process

RCSA will complete a thorough and impartial investigation of any complaint of discrimination or harassment within twenty (20) days of receipt of the complaint. The investigation will be conducted by the Principal or his or her designee, or, if the complaint is against the Principal, by the Executive Director or his or her designee, or, if the complaint is against the Executive Director, by the Board or the Board's designee.

The investigation may include individual interviews with the complaining employee, the offender involved and, where necessary, with individuals who may have observed the alleged conduct or may have relevant knowledge. The complaint and investigation will be handled with sensitivity and, to the extent practical and appropriate under the circumstances, confidentiality will be maintained throughout the investigatory process.

The findings from the investigation must be detailed in a written report.

3. Decision

Within ten (10) days following the conclusion of the investigation, either the Principal, Executive Director or the Board, depending on which party conducted the investigation per Section 2 above, will issue a written decision on the matter. The complainant and the person alleged to have committed the conduct must promptly be informed of the decision. The decision of the Principal, Executive Director or Board shall be final.

4. Protection Against Retaliation

RCSA will not tolerate retaliation against an individual for reporting discrimination or harassment or assisting in providing information relevant to a claim of sexual or any other harassment. Retaliation is a serious violation of this policy and will be treated with the same strict discipline as would the harassment itself. Acts of retaliation should be reported immediately in accordance with these procedures and will be promptly investigated.

5. Responsive Action

Misconduct constituting discrimination or harassment will be dealt with appropriately. Responsive action may include, for example, training, referral to counseling, and disciplinary actions such as warnings, reprimands, withholding of a promotion or pay increase, reassignment, temporary suspension without pay, compensation adjustments, or termination, as RCSA may believe is appropriate under the circumstances. Students who are found to have engaged in discriminatory or harassing conduct will be disciplined in accordance with RCSA's Code of Conduct. Any conduct that is deemed criminal will be reported to the appropriate law enforcement agency.

6. False and Malicious Accusations

False and malicious complaints of discrimination or harassment, as opposed to complaints which, even if erroneous, are made in good faith, may be subject to appropriate disciplinary action.

Parents and students will have online access to the recorded information at RCSA-Connect. Conduct points are cumulative throughout each quarter. Should misbehavior continue or interrupt the instructional environment the teacher, student, and parents will complete an ***RSCA Behavior Contract***.

MAJOR VIOLATIONS DISCIPLINE CYCLE

Major violations (Class II-IV) of the student code of conduct result in a **Disciplinary Referral Form**. The Disciplinary Referral Forms are **investigated, and consequences are assigned by the administrator and discipline committee**. Parents are notified of the consequences by either phone call, notice letter sent by student, or US mail. Assignments of consequences are progressive. **In general, each disciplinary referral advances the student to the next step in the Major Violation Discipline Cycle and violations may have higher consequences if committed at a higher cycle step.**

Consequence ranges on the Major Violation Discipline Cycle cover most of the major violations. However, it cannot cover all possible examples for violating the listed offenses. Therefore, the school administration may impose consequences that are not listed if warranted by individual circumstances. **Any item that is deemed unsafe, inappropriate, or hazardous to persons or property may be confiscated by school personnel.** Offenses not covered by the Discipline Cycle are handled by the school administration in accordance with federal and state laws in a manner consistent with the Charter Schools Act. Also, at the discretion of administration heavier or lighter consequences may be assigned if warranted by individual circumstances.

- **Out-of-School Suspension:** Out of School Suspension (OSS) is a formal disciplinary action that can only be assigned by the principal or designee and requires notice sent to parents via phone, e-mail, with student, or US mail. The notice will include the students' conduct, school rule(s) violated, and the number of days the student is suspended. This requirement does not preclude administration from contacting parents by phone and assigning an immediate suspension when deemed necessary. Leaving a message at the phone number recorded in the school file will be considered sufficient notification. Parents will also receive the notice sent home with the student. A meeting between a parent and an administrator may be required prior to the return of the student serving an out-of-school suspension. However, failure of the parent to attend the conference does not preclude the student's readmission to the school. All students under out-of-school suspension are prohibited from participating in after school activities and therefore are not allowed to come on the school campus. Students who receive an out-of-school suspension will not be able to participate on any overnight field trips for the rest of the school year. Removal of students from their regular school program for a period **not to exceed ten (10) days**. Pursuant to Florida Statute 1006.09, no student who is required by law to attend shall be suspended for unexcused tardiness, absence or truancy. Therefore, suspension is not an appropriate disciplinary action for Code violation 1.05 and 1.10, as it relates to students who fall within the mandatory state attendance requirements.
- **Option to Withdraw:** A student may withdraw without penalty from a charter school at any time and enroll in another local school in the school district in which the student resides according to the Charter School Act. A student who is suspended or expelled from a charter school as a result of a disciplinary action taken by a charter school shall be entitled to enroll in a local school within the local school system in which the student resides if, under the disciplinary policy of the local school system, such student would not have been subject to suspension or expulsion. In such instances, the local school system shall not be required to independently verify the nature or occurrence of the applicable conduct, or any evidence relating thereto.
- **Restorative Practices:** Restorative practices give students the opportunity to be reflective and learn to make better choices. These strategies include a Letter of Apology, Behavior Reflection, Adult-Led Mediation, payment of Restitution, mini-lessons with the Dean/Counselor, etc.
- **Saturday Detention:** Assignment to a session at the school on Saturday for work assignments, academic work, or guidance.
- **Saturday School:** Saturday school is designed to promote timeliness and good school attendance. Saturday School hours are in discretion of school administration.
- **School Board Hearing Officer:** Designee of the Superintendent who holds a disciplinary hearing with the parent/guardian in the event that resolution is not achieved at the school level.
- **School Board Hearing:** Hearing by the School Board with the parent/ guardian and School Board staff where staff and parent/guardian are given the opportunity to speak before the Board.
- **School Bus Suspension or Revocation:** Denial of the privilege of riding a school bus based on misconduct occurring while the student is being transported at public expense. Bus code violations may result in the suspension of bus privileges. A student may be suspended or expelled from riding the bus at any point in the discipline process. A bus suspension is separate from a school suspension and applies only to the loss of bus riding privileges unless subject to other disciplinary actions, such as out-of-school suspension.

Students are required to attend school. Bus suspension does not affect or excuse school attendance.

Student Option for Success (SOS) Program: An evening or Saturday counseling program developed to assist elementary, middle and high school students who are experiencing disciplinary problems in the regular school settings. Participation must begin in the first available class. Parental participation is required. (3rd through 12th Grade)

Teen Court : Teen Court is based on the philosophy that a youthful law violator is less likely to continue to offend when a peer jury decides the punishment. Teen Court attempts to interrupt developing patterns of criminal behavior by promoting feelings of self-esteem and healthy attitudes toward authority. The program places a high priority on educating teens about citizenship and accepting responsibility for their actions. In some cases, juvenile participants are given stern consequences for those actions. This program is recommended for certain Code of Student Conduct offenses and is offered at secondary schools. Parental consent is required for participation. Parental participation is required. (This intervention is used for serious infractions only)

- **Withholding of Privileges:** The student may be denied an opportunity to partake in school-related activities and/or events as deemed appropriate by the principal or designee.

- **Zero Tolerance Policy:** Students who commit the following offenses will automatically be referred to the Disciplinary Committee for an expulsion hearing: issuing a bomb threat; participation of a gang organization; distribution, sale, or attempted sale of alcohol or controlled substances (drugs, i.e. marijuana, etc.) or counterfeit drugs; distribution, sale, or attempted sale of controlled paraphernalia (pipes, papers, etc.); use of alcohol or a controlled substance at the school premises or school sponsored events; arson; repeated offenses of bullying or sexual harassment or misconduct; assault or battery of a school employee, assault or battery to a student at the discretion of the administration; possession of a deadly weapon; and the use of dangerous weapons to threaten, intimidate or injure.

BEHAVIOR MANAGEMENT PLAN

RCSA uses a School-Wide Behavior Management Plan in which all faculty and staff work in a cooperative systemic effort to encourage a successful learning environment. This plan is designed to ensure an effective learning atmosphere for all students and to curtail any minor inappropriate behaviors that disrupt the learning environment. All parents are required to be connected to School Communication and behavior report tools such as Class Dojo, RCSA Connect, Radix, House Points App, and other tools to track students' behavior throughout the day.

School-wide Expectations:

RCSA Rockets are...

The structure of the Behavior Management Plan consists of three main parts:

- **Rules** - the expected behaviors for all students
- **Consequences** – what the student chooses to accept if a rule is broken/this is a progressive plan
- **Rewards** - what the student receives for appropriate behavior
- **Commendations (Positive Recognition)** – what the student receives for exceptional behavior

RCSA CLASSROOM MANAGEMENT STRATEGIES

1. Verbal correction -Cooling off time or “time out”
2. Seating changes in the classroom
3. Counseling by teachers, counselors, or administrative personnel
4. Before or after school, lunch, or Saturday detention
5. Parent/Teacher conferences
6. Temporary or permanent confiscation of items that disrupt the educational process. RCSA is not responsible for lost/stolen items that have been confiscated according to District policy
7. Temporary placement in another classroom which may include behavior contracts
8. Grade reduction as permitted by RCSA policy for cheating and plagiarism
9. Rewards or demerits -Behavioral contracts
10. Sending the student to the office or other assigned area
11. Withdrawal of privileges, including participation in extra-curricular activities, or work duty assigned within the campus grounds
12. Other strategies and consequences as specified by the RCSA Student Code of Conduct.

GRADING SYSTEM & REPORTING

Final grades for core academic classes and electives are received at the end of each quarter (every nine weeks). Parents should contact their child's teacher if there are any questions concerning grades recorded or information contained on the child's report card if they do not get any update such as weekly emails, quarterly progress reports, teacher message, calls or emails. The RCSA Governing Board, in compliance with State Standards, approves the grading scale. Grades are reported numerically on all progress reports and report cards. **Any grade below 60 is failing.**

Quarterly Progress Reports will be sent electronically approximately half-way through each grading period. Progress Reports indicate how well a student is meeting the standards and are distributed with ample time for remediation and improvement to occur. Parents are encouraged to frequently check RCSA Connect to access student progress. Please refer to the teacher syllabus for grading scale and policies.

HOMEWORK POLICY

Homework is an essential part of your successful educational program at RCSA and is **MANDATORY and GRADED**. Doing homework will help students develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers assign homework that will foster individual learning and growth and that is appropriate for the subject area. It is each student's responsibility to complete and turn in homework on time; in case of conflict regarding homework assignments, the teacher's record is final. If students or their parents have questions about homework, immediately contact the teacher who assigned it. Students will have both paper and computer homework. Students must have access to technology at home, such as compatible computers or mobile devices with Internet access. Teachers may change homework routines/platforms based on the students' needs with at least 1 week notice of the change, which may include the addition of nightly homework.

SCHEDULE CHANGES

Each student's schedule is carefully planned and developed based on the student's academic history and demonstrated abilities. Modifications to the students' schedule will be made at the administration's discretion. Parents should provide all paperwork regarding academic and nonacademic matters that will make an impact on scheduling while providing enrollment paperwork. This may include national standard tests, state tests, psychoeducational evaluation, IEP, EP, 504 and related paperwork that may impact student schedules.

Lost or Damaged Textbooks

Textbooks for students are furnished by RCSA. Restitution for lost and/or damaged textbooks or related materials and supplies will be required BEFORE a second text or additional materials will be made available to a student. Students who owe money for lost or damaged texts or materials will be permitted to use a text during classroom instruction; however, they will not be permitted to take the text or materials home for homework purposes. The record access and some other school functions will be limited with balance due to school.

Cheating and Plagiarism: The dictionary defines plagiarism as "taking ideas or writings from another person and offering them as your own." This includes any AI platform. The student, who leads readers to believe that what they are reading is the student's original work, when it is not, is guilty of plagiarism. Credit should always be given to the person who created the words or idea. Contact RCSA's media specialist or www.educationcentral.org/intech/ for more details. Unless it is otherwise stated, assume that all materials on the Internet, including Web sites and graphics, are copyrighted, and that existing copyright guidelines, such as those involving photocopying, electronic copying, multimedia, and fair use, apply. Students using computers and the Internet should be aware of what is and is not allowed as it pertains to software, multimedia productions, and Web publishing. Contact the school's media specialist or www.educationcentral.org/intech/ for more details.

Academic Recognition

Students are recognized on a regular basis and rewarded for accomplishments.

- **Principal's Honor Roll** - students achieving a grade of "A" in all subjects or EXCELLENT only.
- **Honor Roll** - students achieving grades of "A" or "B" in all subjects.
- **Superlatives for subject areas, elementary resources or middle school electives, competitive academic teams, and competitive sports.**

Should a student's uniform not comply with the uniform dress code, they will be considered in violation. Students who violate the uniform code will be allowed to call home for an appropriate change of clothing. All students must adhere to these minimal guidelines for acceptable apparel and appearance. To maximize instructional time, students will be given an opportunity to immediately correct dress code violations. Should there be a second violation they will not be able to return to class until in proper dress code.

Card with them and present it immediately when requested by school personnel or law enforcement authorities. KG-4th grade students will have their ID’s during lunch only. All teachers will always keep a second batch of ID cards in their emergency folders. A replacement cost of \$5 will be required for lost or damaged cards. HEALTH AND SAFETY

911 for Emergencies

In event of a medical emergency, RCSA will call the medical unit and all medical decisions and financial responsibility will be the responsibility of the parents.

Injury or Illness at School:

A student who becomes ill or injured while at school will be taken to the front office where every effort will be made to see that he/she is comfortable. Office personnel will contact the student's parent if the student needs to go home or medical attention is required. Parents will need to pick their children up when:

- A student has a fever of 100.4 or higher – this low grade is considered to be contagious and will be required to be picked up by a parent or guardian.
- A student looks pale, red eyes, hunched over with cramps and generally shows signs of the flu or severe cold.
- A student has vomited, had diarrhea, or complaining of continuous stomach aches.
- A student is complaining of continuous strong headaches
- A child is found with lice. RCSA follows Florida Department of Health protocol.
- The office is unable to make the student comfortable after resting for a period of 15 minutes.
- Students need to remain home for a minimum of twenty-four hours following a fever or nausea. A child who suddenly develops a headache, chill, fever, vomiting spell, or other signs of illness in the morning should be kept home. It is important that we have updated emergency numbers and individuals on file in the school, so we are able to reach an adult to pick up the student.

MEDICATION POLICY

The medication to be administered by designated school personnel must be sent directly from the pharmacy or physician's office or brought to school by the student's parent/guardian. The school must receive a Medication Permission Form signed by the student's physician and parent/guardian (this includes both prescription and OTC drugs).

A. Prescription Medication

In accordance with Section 1006.062, Florida Statutes, the following are guidelines for the administration of prescribed medication by school personnel:

- a. The principal or a trained designee may administer prescription medication to a student while at school provided that for each prescribed medication, the student's parent or guardian shall provide to the school principal a written statement which shall grant the principal or his designee the permission to assist in the administration of each prescribed medication and which shall explain the necessity for the prescribed medication to be provided during the school day, including when the student is away from school property on official school business. The school principal or the trained school staff designee shall be allowed to assist the student in the administration of such medication.
- b. All medication is to be brought to the school by a Parent or Legal Guardian.
- c. All prescribed medications to be administered by school personnel in charge of managing medication (usually assigned front office secretary) shall be received, counted, and stored in original containers. Please be present during this process and avoid dropping off medication with students. When a medication dose is given to a student, it must be recorded. If dosage is not recorded, it will be assumed that the student did not receive the required dose. When the medication is not in use, it shall be stored in its original container in a secure fashion under lock and key in a location designated by the principal.
- d. There shall be no liability for civil damages as a result of the administration of such medication where the person administering such medication acts as an ordinarily reasonable prudent person would have acted under the same or similar circumstances.

B. Nonprescription Medication

Nonprescription medication (over-the-counter medicine such as aspirin, cough syrup, Murine), may be given by trained staff (usually assigned front office secretary) at school if ordered by a physician. The medication must be clearly marked with the student's name, dose and the approximate time medication is to be administered at school, physician's name and medication expiration date. Medication will be administered according to dosing instructions on the container unless the physician has ordered differently.

C. Self-Carry Medication

Once a "Permission for the Administration of Medication" form is completed by the parent, student and physician indicating the need for the student to self-carry a medication is on file at the school, the student may carry the following medications: albuterol inhaler, epinephrine auto injector, diabetic supplies, and pancreatic enzymes. The school administrator must be notified and approve to ensure in accordance to the medication policy.

DIRECT CONTACT COMMUNICABLE DISEASES

RCSA seeks to provide a safe educational environment for students and staff. RCSA is also committed to assuring the confidential status of individuals who may have been diagnosed with a blood-borne communicable disease. Student instruction will be developmentally appropriate. This can be best accomplished by assuring that all persons within the school community understand the method of transmission and prevention of disease that are not contracted through air-borne pathogens, but rather, through direct contact with body fluids and excretions, especially blood, vomit, feces, or urine.

For purposes of this, these diseases shall include:

1. HIV (human immunodeficiency virus)
2. AIDS (acquired immune deficiency syndrome)
3. AIDS related complex (condition)
4. HAV, HBV, HCV (Hepatitis A, B, C)

Other diseases that may be specified by the State Department of Health as contact communicable diseases.

RCSA wants to assure that students or staff who reveal the fact they have contracted one of these diseases will have their status safeguarded in accordance with Federal and State statutes dealing with confidentiality and that their civil rights will be respected.

STUDENT-RELATED GUIDELINES

AFTER SCHOOL ACTIVITIES

- A number of extracurricular clubs and/or enrichment activities are offered for students. Nominal fees may be charged for participation in order to cover the cost of materials, supplies and/or other expenses. There is no better way for students to enrich their education than by taking part in clubs and after-school activities or through working with a teacher.

Students staying for after school activities will be expected to follow the following rules or they may be banned from all after school activities:

- You may not stay after school to wait for another student.
- You must be with a teacher or other staff member at all times.
- You must abide by the RCSA Code of Conduct while participating in the activity.
- Your school activity privileges will be cancelled if discipline becomes a problem.
- Signing up for after school activities is required for each semester to be eligible to participate. If a student does not have any after school club or activity should report for after school care in extended day. If a student attends extended day and does not normally pay for this service, a fee of \$20 is charged for that day for any amount of time that they stay after the normal pick-up time.

CELLULAR TELEPHONES/ELECTRONIC DEVICES

- Students are permitted to bring cell phones to school; however, it is not encouraged. Cell phones must be turned "off" and may not be used or displayed openly inside the school building during regular school hours. Middle and High school students must keep them in their lockers. If a child violates the cellphone policy, the cell phone will be confiscated and require mandatory parent pick-up of the device.
- If a student is scheduled for an after-school activity (clubs, tutoring et al.), cellphone shall be kept "off" until such activity is over. The policy applies to any type of cell phone use: voice calls, text messages, e-mail, web browsing, photographs, videos, etc.
- This rule applies (but is not limited to) other electronic devices such as digital cameras (except with prior approval by staff for school use), iPods, iPads, smart watches, or any other similar devices.
- Students are not allowed to use their cell phones until they have completely left the school campus. This includes all dismissal areas, which are still considered part of the campus. Cell phones must remain put away and out of sight until students are off school property.
- Students found in possession of a cellphone (or other electronic device listed above) shall have the item confiscated by RCSA staff and will be returned directly to the parent/guardian. If a parent/guardian cannot pick it up, the item may also be shipped to a home address, if the shipping charges are pre-paid by the parent. At no time shall RCSA be responsible for theft, loss or damage to cell phones or other electronic devices brought onto its property.

CLOSED CAMPUS

Students are not permitted to leave campus for any reason unless signed out by a parent/guardian. Seniors will be considered skipping if they leave campus before the completion of their last class of the day. Seniors may not leave for lunch.

EMERGENCY DRILLS

Regular emergency preparedness drills will be held throughout the school year so that students will be trained to act properly in an emergency. A comprehensive emergency preparedness plan is on file in the office and procedures are posted in classrooms.

FIELD TRIPS

- Field Trips offer exciting ways to learn.
- RCSA students will have the opportunity to go on field trips at various times throughout the school year.
- Grade level and/or team sponsored day field trips are offered to most students.
- Students with any outstanding balance (SLA negative balance, library fine, computer damage fine, unpaid fundraiser obligation, fine for damaged property, etc.) will not be able to pay and attend a field trip until the outstanding balance is paid and cleared.
- Any student who has demonstrated the inability to follow rules may be prohibited from participating; this determination will be made by the administration on an individual basis (A parent may be asked to accompany their child).

- Students who have been absent 15% of the school year may not attend the field trip. (For example, if the field trip is on school day 60, any student who has 9 or more unexcused absences cannot attend the field trip). In order to attend a field trip sponsored by the school, a student must be present at school for the majority of the school day that the field trip is taking place.
- Any fees or deposits paid earlier are nonrefundable.

For all field trips, you will be expected to follow these rules:

- You must abide by the RCSA Code of Conduct and Discipline Plan while on the field trip.
- You must follow the RCSA Dress Code, unless otherwise specified.
- You must bring to school the Field Trip Permission Slip, and money signed by your parents or guardian, by the specified date.
- Parents attending a field trip may not bring siblings. The responsibility of chaperones is to supervise and monitor RCSA students on the field trip.

SCHOOL-SPONSORED ACTIVITIES

RCSA administration may organize or sponsor off-campus activities. Unless otherwise specified by the administration, all school rules are in effect in any such school sponsored activity. Eligibility to participate in such programs and specific policies will be determined and announced by the administration as needed. Not all students may be invited to these events.

Eligibility to Participate in School Activities

For students to participate in any extracurricular activities such as sports, clubs, dances, field trips, and other similar events, there are a few eligibility requirements that students must meet. These eligibility requirements include:

Field trips, dances:

1. having received no referrals four weeks prior to the event.
2. having no more than (2) detentions four weeks prior to the event.

Extracurricular activities: (Sports)

1. maintaining a GPA of 2.0 or higher
2. having no more than (2) detentions during the season
3. having received any days of suspension during the season will result in the removal from the activity

Academic clubs (Quarterly)

Academic Clubs will review discipline infractions based on the clubs' parent contract.

**Students with any outstanding balance (SLA negative balance, library fine, computer damage fine, unpaid fundraiser obligation, fine for damaged property, etc.) will not be able to participate until the outstanding balance is paid and cleared.*

LOCKERS

Each student will be assigned a locker for his/her individual use at RCSA. This locker is for storing books, coats, and personal items necessary for school. Students should not bring valuable items from home. RCSA will not be liable for personal items you leave in your locker or bring to school with you. To keep your school items safe, we strongly advise you to keep your locker combination and space private. Do not trade lockers with another student. Do not let another student share your locker. It is your responsibility to see that your locker is kept locked and in order at all times. You should report any damage, vandalism or the inoperable condition of your locker to the office. If you do not report vandalism, damage or the inoperable condition of your locker, you will be held responsible for it. Please remember that your locker is school property and remains at all times under the control of the school. You, however, have full responsibility for the security of your locker and what is in it. Lockers are subject to search. No item considered dangerous by the administration may be kept in the lockers and will be removed if found there. Students attending RCSA should not expect privacy in regard to the contents of their lockers, desks, or other school property. Due to the small size of RCSA's lockers, book bags must be small enough to fit within the locker.

Backpacks are not permitted in the classrooms, so they must be kept in their lockers throughout the day. Students may use book bags to transport only school materials to and from school. During the school day, however, RCSA requires that all book bags remain in students' lockers. Roller bags are NOT ALLOWED to be used in the building. All book bags must be small enough to fit easily inside the locker. Only handheld pencil bags and handheld purses are permitted in the classroom. Please see below guidelines

LOST and FOUND

Personal items that are found should be turned in at the front office. Any items left in the school facility will be placed in lost and found. Unclaimed items will be donated to charity every quarter.

LUNCH/NUTRITION PROGRAM

Students may purchase a nutritional lunch in the school cafeteria or may bring their lunch from home. The cost for student lunch is announced at the beginning of the school year. Lunch account balances must be kept current. Breakfast or Lunch fees **must be paid directly** through the food vendor's website at www.slalunch.com. The updated school specific lunch money links will be placed on school web site. The school will not accept lunch payments; requests will be forwarded to the food vendor's website. Families requesting free or reduced lunch should contact the business office.

**Students with any outstanding balance (SLA negative balance, library fine, computer damage fine, unpaid fundraiser obligation, fine for damaged property, etc.) will not be able to participate until the outstanding balance is paid and cleared.*

MATERIALS DISTRIBUTION

RCSA has a “closed forum” relative to the distribution of materials or posting such materials on school grounds or property. It is for this reason that flyers, brochures and/or other materials may not be handed out on campus prior to, during or following the school day. Unless it is approved by the administration, distribution, selling, ordering and consuming external food items or goods are prohibited, and will be confiscated.

SENIOR PRIVILEGES

Seniors may receive privileges during the school year. Senior information and student parking will be provided in written communication at the High School.

TELEPHONE CALLS

Students may use the main office phone in case of an emergency. Students may not use the classroom phones. As part of an effort to teach responsibility, students are discouraged from calling home for forgotten items. The school does not have enough phone lines to accommodate student phone calls at the end of the school day. All arrangements regarding after school activities must be made before the student leaves home in the morning. We ask that all students please come to school in the morning clearly knowing whether their parents expect them to be in the carline, extended day, or are a walker/biker in the afternoon.

WALKERS & BIKERS

RCSA takes no responsibility for student walkers and bikers. Due to limited sidewalks and high-volume traffic in the immediate area, walking and bicycling is strongly discouraged. Parents/Guardians who desire for their child to walk/bike to or from school must submit a written request to the RCSA administration to confirm the request. The form is available in the front office. Parents may not park on campus to pick up a walker.

PARENT-RELATED GUIDELINES

HOME VISITS

Research shows that home visits help with both academic and behavioral performance. The overall goal of home visiting is to help strengthen relationships between parents and teachers. Home visiting programs are an effective way for teachers to get parents involved in their child’s education and to let parents and children know how much they care. Therefore, RCSA encourages teachers to visit their students at their homes.

PARENT GRIEVANCE PROCEDURE

- If a parent has a grievance or complaint, please follow the process below:
 - Seek to resolve the problem with the teacher or staff, if applicable.
 - If the problem is not resolved, meet with the school administration via an appointment.

PAYMENT METHOD

Parents may take care of monetary obligations by cash, money order, debit or credit card. **Personal checks will not be accepted.**

RCSA COMMUNICATION STRATEGY

RCSA uses multiple methods to communicate with parents. It is our goal to work together as partners in your child’s school journey. Our primary parent portal is RCSA Connect (Radix). It is the parents’ responsibility to regularly check the Radix app or online application (on the school’s website); weekly assignments, grades, and conduct are posted. To create and maintain clear communication of all school announcements, events, and reminders, the school uses the Class Dojo (school story), weekly emailed newsletters, the website, social media, and School Messenger to ensure all parents can access school information. Classroom teachers use Class Dojo as the primary communication tool (whole group). Teachers will post regular updates about class requirements, pictures from the week, and reminders. For individual parent communication, teachers will only use email. All Teachers, administration and staff have 48 business hours to respond to any parent communication. Teachers and administrators will also require parent conferences in person and via phone to communicate and updates and concerns about academic and behavioral performance. Parents, as partners, please check these communication platforms regularly.

RECORDING DEVICES – AUDIO or VIDEO

RCSA prohibits the use of audio or video recording equipment by anyone other than RCSA staff or personnel on the RCSA campus, within the school building, or at school sponsored events (on or off campus) without express written permission from the RCSA Administration. Students found in violation will have their recording device confiscated and be given an Office Referral Form for unauthorized recording. Parents or non-RCSA personnel found in violation will immediately be required to leave - if uncooperative, appropriate law enforcement authorities will be contacted to have them removed from the premises.

No online or hybrid class activity may be recorded copied, distributed or shared without written permission from RCSA Administration including, parents, students or guardians.

STUDENT RECORDS

A student's school records are private and confidential. Students' parents/guardians and certain school officials and workers are the only ones who may see school records without the parent's or guardian's written permission. RCSA is required to comply with any legal investigations by local law enforcement agencies.

VIDEO OR AUDIO SURVEILLANCE

RCSA may use video or audio surveillance to monitor halls, classrooms and common areas, to ensure student and faculty safety. Additionally, this video or audio surveillance may be used for evidence in disciplinary situations, as well as remote viewing or monitoring of various school activities, school entrances and school parking areas. Only select administration staff members and legal authorities are permitted to view video surveillance due to privacy rights. No other request of viewing will be honored. RCSA designated staff members may check all online or hybrid meeting environments with student/parent connections, IP addresses as logged in software admin features for the safety of our families.

VISITORS TO THE BUILDING

All visitors must first report to, and sign in at, the front office and wear a visitor's badge before going to other parts of the building. All visitors must present their legal ID and be scanned through our safety screener (Raptor). In accordance with school safety guidelines, parent visitors for meetings will have a staff member escort them while on campus. Any lunch or student supplies must be delivered to the front office to be collected by students. Parents may also sign-out students to have lunch off-campus (time out of class will be recorded as an absence). Parents may not order and send food through any delivery service (Uber Eats, Door Dash, etc.). Additionally, parent shadowing is not a strategy used at RCSA. For feedback about your child's progress, please contact the grade level Team Leader or teacher for a parent conference.

VOLUNTEERS

RCSA values the concept of parents as partners in education. Parent and community support and assistance are vital in all facets of the school program. To ensure the safety of all students, any volunteer that comes in contact with students must complete a DCPS volunteer application at: <http://duvalschools.org/Page/7416> or contact the Family and Community Engagement department at Duval County Public Schools that will provide clearance to River City Science Academy administration in advance. **This includes eating lunch with your child as well as volunteering for clubs, field trips or other school events. All volunteers and visitors must stay with an assigned staff member. They may not continue serving more than 3 days without written approval of a school administrator. The lunch companion visits must have at least two-weeks advanced notice that may not be guaranteed. We may deny request due to space, staffing and other reasons. If having lunch with your child, the party will dine outside at the picnic tables.**

RCSA reserves the right to make changes or modifications to this handbook, as needed, throughout the school year. Changes or modifications made during the school year will be announced by email, Class Dojo, phone, or weekly newsletter.
